

## **The Observed Calendar of the Second Temple For 2021** **Predicted Dates for Observers near Polson Montana, U.S.**

The Observed Calendar of the Second Temple Era was used by the official priests of the Second Temple period **from at least BC 520 to AD 163**, which is about 35 generations. This is an astronomically based calendar using the visual new crescent moons and the equinoxes. It is hoped that the reader has read the full Calendar Presentation in:
